Agriculture • Agri-Tech • Research • Web Developer • Entrepreneurship

CAREER OBJECTIVE

Agriculture graduate and current M.S. student in Agroforestry & Environmental Science at Sher-e-Bangla Agricultural University, with interdisciplinary experience in agricultural research, environmental sustainability, agri-technology, entrepreneurship, public-health field operations, and full-stack digital product development. Research interests and project work connect technology adoption, sustainable nutrient management, digital agriculture, and practical field implementation. Experienced in research framing, field coordination, data collection/reporting, UI/UX design, web application development, stakeholder engagement, and translating technical needs into usable digital systems.

EDUCATION BACKGROUND

M.S. in Agroforestry & Environmental Science Sher-e-Bangla Agricultural University, Dhaka	July 2026 - Present
Current graduate study in agroforestry, environmental science, sustainable land and resource management, and related agricultural systems.	
B.Sc. (Honours) in Agriculture Gopalganj Science & Technology University, Gopalganj	2019 - 2025
CGPA: 3.59 / 4.00; completed July 2025. Academic foundation across crop science, soil science, horticulture, entomology, plant pathology, agricultural economics, extension, and allied disciplines.	
Higher Secondary Certificate (Science) Notre Dame College, Mymensingh	2019
GPA: 4.25 / 5.00.	
Secondary School Certificate (Science) Suti V. M. Pilot Model High School, Tangail	2016
GPA: 5.00 / 5.00.	

PROFESSIONAL EXPERIENCE

- Field Organiser | BHP Tuberculosis Care & Prevention Program, BRAC** | May 2026 - Present | PIN: 296311
- Coordinate community-level TB care, prevention, awareness, referral, follow-up, and operational activities within the designated field area.
 - Engage community members, local stakeholders, health workers, and partner actors to strengthen case-finding, treatment support, and program compliance.
 - Manage field data collection, patient/community records, logistics, and routine reporting; monitor implementation gaps and communicate operational needs to the supervisory team.
- Financial Advisor — Sonali Life Insurance**
- Manage client portfolios and policy planning; built a custom premium-calculator tool to automate policy assessments.

RESEARCH & ACADEMIC PROJECTS

- Researcher | Adaptation of Technology in Entrepreneurship — under Md. Rahat Tuhin, Lecturer, Department of Marketing, GSTU** | 2024 - Present
- Examined the adoption and integration of modern technologies within entrepreneurial ventures, with emphasis on technology-enabled student entrepreneurship.
 - Contributed to literature review, research framing, data-related work, interpretation, and academic presentation; the work informs an applied understanding of technology adoption in entrepreneurial practice.
- Researcher | Developing 4-4-4 Super Food for Plants — under Md. Mahfuzur Rahman, Lecturer, Department of Agriculture, GSTU** | 2024 - Present
- Worked on formulation and application approaches for an organic plant nutrient/biofertilizer concept using locally available organic inputs.
 - Focused on balanced nutrient management, sustainable soil fertility, formulation planning, documentation, and practical application considerations.

RESEARCH, PRESENTATIONS & INNOVATION

- Research output includes the technology-adaptation study and 4-4-4 Super Food for Plants innovation project, linking academic inquiry with practical problem solving.
- Champion — Poster Presentation on Mushroom Production Technology, IAAS Bangladesh Scientific Event 2025, GSTU; 1st Runner-up — Poster Presentation, IAAS Bangladesh Scientific Event 2024, GSTU.
- Experienced in translating agricultural concepts into concise scientific posters, presentations, and audience-oriented explanations.

ENTREPRENEURSHIP, INNOVATION & LEADERSHIP

Founder & CEO | Stock-X BD Ltd. — UIHP Startup Project | 2 year

- Founded and led a university-based enterprise-software venture for LPG dealers/distributors; directed product development, UI/UX, operations, strategy, team coordination, and early business development.
- Ranked in the Top 3 of the UIHP Startup Founders Competition; provided advisory support to Coco Coffee, Vetmedix, Acqua Lence, and Z AgroTech.

Leadership Positions GSTU

- Vice President — GSTU Central Debating Society;
- President — Agriculture Debating Club, with responsibility for event coordination, mentoring, team preparation, and competitive participation.

SELECTED DEBATE & ACADEMIC ACHIEVEMENTS

- 1st Runner-up — Intra-University Debate Tournament, Law Debating Club, GSTU; Semi-Finalist — BMB Debating Club Tournament.
- Agriculture Debating Club Champion — Freshers Debate 3.0 & 4.0, GSTU Central Debating Society.
- Agriculture Debating Club Runner-up — Debate competition organized by the Environment Science & Disaster Management Club.

LANGUAGES Bengali: Native | English: Fluent

ENTREPRENEURSHIP ACHIEVEMENTS with SEED FUNDING

University Innovation Hub Program (UIHP) — Gopalganj Science & Technology University (GSTU)
Achieved competitive recognition across **four UIHP startup cohorts** with four different venture projects, securing **BDT 220,000 in cumulative competition awards**.

- **3rd Place — Stock-X BD Ltd. | 1st UIHP Cohort** Awarded **BDT 50k** for an LPG digital ERP solution.
- **2nd Place — Coco Coffee | 2nd UIHP Cohort** Awarded **BDT 65k** for health-product e-commerce marketcap
- **4th Place — Vet-Medix | 2nd UIHP Cohort** Awarded **BDT 40k** for an integrated digital pet-care platform
- **2nd Place — Acqua Lence | 4th UIHP Cohort** Awarded **BDT 65k** for IoT-oriented aqua monitoring device

National UIHP Seed Round — National-Level Recognition & Funding

Selected in the **national UIHP seed round**, with three ventures receiving a combined **BDT 300,000 in seed funding**:

- **Stock-X BD Ltd. — BDT 80k seed funding**
- **Vet-Medix — BDT 80k seed funding**
- **Coco Coffee — BDT 100k seed funding**

Total UIHP Competition Awards & Seed Funding: BDT 520,000

TECHNICAL & DIGITAL PORTFOLIO

- **Stock-X BD (stockxbd.com):** UI/UX and frontend development for an LPG ERP covering inventory, sales, and dealer/distributor workflows; **Vet-Medix (vetmedixbd.vercel.app):** full-stack pet-care platform with e-commerce, veterinary services, profiles, and appointments.
- **Research Simulator (researchsimulator.lovable.app):** interactive platform for modeling, testing, and visualizing research workflows and academic data scenarios.
- **Acqua Lence (acqualence.insforge.site):** IoT-oriented aquaculture dashboard concept for real-time pond telemetry visualization and risk alerts for fish and shrimp farmers.
- **Z AgroTech (z-agro.vercel.app):** integrated agritech education + farm-product marketplace; additional full-stack e-commerce work includes Aronnoo Store, Coco Coffee, and portfolio site khnayeam.vercel.app.
- **Vetmedix (vetmedixbd.vercel.app):** Full stack pet-care platform with ecommerce clinic & vet booking.

CORE SKILLS

- Development:** Full-stack web development, frontend/backend integration, UI/UX, responsive interfaces, web architecture.
- Tools:** Figma, Git/GitHub, database-backed applications, MS Office.
- Research:** Literature review, research framing, data collection, field coordination, scientific writing/posters, presentation.
- Professional:** Stakeholder coordination, project planning, team leadership, public speaking, organization, communication.
